About C. Graydon “Gray” Rogers

The Land Conservancy of New Jersey is privileged to host The 8th Annual Gray Cup Invitational Golf Classic named in honor of Gray Rogers for his many years of outstanding service. Gray served for ten years on The Conservancy’s Board of Trustees including three years as Chairman of the Board. During his tenure, Gray had a remarkable impact on the organization. He chaired the *Preserve Now – Protect Forever* Comprehensive Campaign, which raised more than \$3 million. Under his leadership, The Conservancy grew from a regional land trust to a state leader in open space preservation culminating in the name change of our organization from Morris Land Conservancy to The Land Conservancy of New Jersey in September 2008. Gray was a founder of the investment management firm W.P. Stewart & Co. Inc. in New York City where he worked for 25 years before retiring in 2000. Gray has always had a passion for the outdoors and the natural world. Dedicated conservationists and longtime supporters, Gray and his wife Mollie, a retired teacher, established The Conservancy’s Rogers Family Scholarship in 2006 to provide scholarships to deserving college students from New Jersey pursuing careers in an environmental field. Since then, 11 scholarships totaling more than \$75,000 have been awarded!

The Land Conservancy of New Jersey

19 Boonton Avenue, Boonton, NJ 07005

Founded in 1981, The Land Conservancy of New Jersey is a non-profit member-supported organization dedicated to preserving and protecting New Jersey’s vital natural lands and drinking water resources. We are working to inspire and empower individuals and communities to take action to save the land that is so important to our state. To date, The Conservancy has helped preserve over 22,000 acres and helped towns receive more than \$233 million for their land preservation projects. We have worked in 100 municipalities in 13 counties, benefiting millions of people who live in, work in, or visit our state.

Accredited by the National Land Trust Accreditation Commission in 2009, The Land Conservancy meets the highest quality standards for protecting open space, upholding the public trust, and ensuring that our conservation efforts are permanent. For more information about our programs or how you can get involved, please visit our website at www.tlc-nj.org or call (973) 541-1010.

Somerset Hills Country Club

180 Mine Mt Rd, Bernardsville, NJ 07924

Somerset Hills Country Club has a rich history that began over 100 years ago. The founders were primarily New York City residents and, thus, the use of “country” in the name of their Club. The Club was originally situated along the Raritan River, partly in Bernards and partly in Bedminster Township. In 1918, the Club changed locations and was built at its current site. The golf course was designed by A.W Tillinghast and is consistently rated one of the top 100 courses in the country. Although Somerset Hills has proudly hosted several national and international events, it has remained, first and foremost, a Club for members and their families. In a rapidly changing technological world, we hope to pass on to future generations the traditions of simple elegance that is Somerset Hills Country Club.
